

SULLAIR® DR-13

100% OIL FREE ELECTRIC DRIVE AIR COMPRESSOR

RENTAL READY PACKAGE

- Aftercooled to 20° F above ambient final discharge air temperature
- 100% Oil Free Air
- Automatic Condensate Drains
- Auto Start and Sequencing Capability
- Customer Hook-up (Twist Lock Connectors)
- Phase Rotation Indicator Light
- Energy Efficient
- 110% Environmentally Self Contained
- Heavy Duty Rental Package
- 78 dbA @ 3'
- Efficiency Rating 95.40%
- Air Discharge Outlet Size 2"
