

ANY MAKE OR MODEL WE KEEP YOUR ENGINE RUNNING

Your last minute repair is our first priority. Peterson's goal is to get you out of the dry dock and into the water. We minimize your down time by giving you a dependable Single Point of Contact for all your service and parts needs 24/7.

Peterson stocks engine room supplies, maintenance and cruising parts, and OEM parts, so you can make a repair yourself or have a factory trained tech from Peterson make the repair for you. We perform the over hauls and repowers you need while allowing you to manage your cash flow with easy payments in a 12 -24 month payment plan through the CAT® AccessAccountSM. You can also benefit from our different preventative maintenance programs that help identify problems before they happen.

Get started today by asking your rep for a free TA-1 visual inspection, and for more information about how the CAT AccessAccount helps you get the job done.
